EU-Africa Infrastructure Trust Fund, Nairobi.
4. **Financing**  
EU-Africa Infrastructure Trust Fund
5. **Contracting Authority**  
European Investment Bank (EIB)
6. **Nature of contract**  
Technical Assistance (fee-based)
7. **Contract description**  
The objective of this Technical Assistance Programme is to support the Kenya Airports Authority (KAA) project management capacity in the context of the Nairobi Jomo Kenyatta International Airport (JKIA) expansion project. This is to ensure that industry standards are maintained and to minimize the impact on existing operations and the environment. The Programme's multiple objectives include (i) enhancement of KAA engineering and management capacity to operate and maintain the JKIA facilities on a sustainable basis and assist the KAA in the supervision of construction activities relating to the JKIA airport expansion, (ii) promotion of the use of a financial model and financial reporting system within the KAA, (iii) strengthening of the KAA's environmental management capacity and that of relevant partner organizations, (iv) provision of assistance to the implementation of the JKIA expansion project's environmental management plan.  
The working language shall be English.
8. **Indicative maximum budget**  
EUR 5.0 million
